

WYBOTICS CO., LTD		
Item number	WYBOT S2 SOLAR	
Product name	POOL ROBOT	
PICTURE		FEATURE
		<p>➡Two ways of charging:</p> <p>① "Real green energy" : solar charging to provide power to the robot</p> <p>② "In-water" inductive charging: world's first pool robot that autonomously returns to a charging station which is located on the pool wall, enables inductive charging</p> <p>➡ Double Filtering For Ultimate Cleaning: a fine mesh of 180µm to effectively intercept leaves and other large particles of trash, while the built-in FOAM ultra-fine filter specializes in traps dust and other tiny particles minimize to 30µm to ensure crystal clear water</p> <p>➡ 7 Mode Selection: Standard full pool, Floor only, Wall only, Waterline only, Wall then floor, Turbo floor and Eco floor, Additionally 7 path planing and 4 cleaning schedule for choice</p> <p>➡ All Types of Pools: works with inground or above ground pools up to 2152 sq.ft, including multi surfaces- tiles, concrete, vinyl, and fiberglass</p> <p>➡ "Real hassle free": Only need to maintain and clean the filter, and leave it in pool for charging</p>

Product Specification			
Cleaning Coverage	Floor, Wall & Waterline	Cleaning Modes Setup	Via Smartphone App & Touch Pad
Runtime	2.5 Hours	OTA Remote Update	<input checked="" type="checkbox"/>
Charging Time	3 Hours (DC charging)	Battery Level Display	<input checked="" type="checkbox"/>
Battety Type	Lithium-ion Battery	Robot Weight	25Kg
Battety Capacity	25.2V 5200mAh	Robot Size	400(L)*390(W)*255(H) mm-ROBOT ONLY
Power	90 Watts	Package Weight	28kg
Numbers of Motors	Triple-motors	Package Dimension	590*550*640mm
Filtration Type	180µm Regular Filter Basket + HEPA	What's in the box?	1 x Robot
Flow Rate	14 M³/H		1 x Charger
Moving Speed	10m/min		Floating parts
Sensor Type	Gyroscope & Infrared & Depth & Sonar		1 x Retrieval Hook
Smartphone App	<input checked="" type="checkbox"/> Bluetooth/WIFI		1 x User Manual
Remote Control	<input checked="" type="checkbox"/>		1 x Quick Start Guide
Timer Type	Weekly Timer		1 x docking station
Timer Setup	Via Smartphone App		1 x solar charging module
Cleaning Modes	· Floor	Warranty	24 Months
	· Wall	13 Digit EAN	06975843747372
	· Vision Mode(Floor only)	12 Digit US UPC	00860012665433
	· Waterline	Pool Size (m²)	300(autonomous charging, start cleaning at any time)
	· Standard Full Pool		
	· Turbo Floor Mode		
	· Wall then Floor		
	· Eco Mode
